

Acqua dell'Elba, the essence of the sea. Its uniqueness lies in making artifacts in the heart of the Tuscan Archipelago, using high quality raw materials inspired by the sea and the Island of Elba and working according to craftsmanship.

The Acqua dell'Elba business model is inspired by artisan workshops Renaissance, where the extraordinary manual skills of the master and of his pupils approached a natural propensity for beauty, a deep knowledge of the arts and culture and a strong attitude towards the creation of products that were both functional and rich of meanings.

Unique artifacts, as they are made according to artisanal techniques inspired by the unique context such as the Island of Elba.

Acqua dell'Elba is the authentic interpreter of sensations of the sea, through 7 perfume lines (Essenza, Classica, Archipelago, Blue, Children, Sport, Essence of an Island). To these bath products are added (body creams, shower gels, shampoos, soaps, deodorants, cleaning wipes), products for room fragrances (room diffusers, home fragrances, fabrics fragrances, scented candles, scented plasters and ceramics), fabrics (beach towels, bathrobes, sarongs, bermuda shorts) and accessories (beach bags, beauty bags).

Acqua dell'Elba's vision is to create beauty for people and the environment. Beauty conceived as the enhancement of all its forms: aesthetics, experiential, social and cultural.

Acqua dell'Elba's mission is to create fragrances inspired by the beauty of the sea that satisfy the idea of people's well-being , promoting at the same time a model of sustainable growth.

ACQUA

An isolated cove. All around, nothing but the sea, the sun and that light sea breeze that carries delicate notes of sea salt. Inside us, our hearts, our lives, our journey.
