Once upon a time...

Existed a story of love and friendship that lasted 40 years between Christiane, Yves and Desmond, three transdisciplinary creators from the worlds of architecture, theatre and painting.

Once upon a time, there were three multiskilled idealists, three free and cultivated poets, three aesthetes and artists, who were united by their taste for travel and great civilizations, and a shared sense of beauty.

Once upon a time, three "marchands de rien" (purveyors of trifles) sold only what they loved, what they discovered, redecorated and repurposed in the course of their inspired travels.

Once upon a time, there were decorative items, scented candles and the perfumes - because, ultimately, smells, more than any element, serve as bearers of memory to inspire, and encourage the imagination to wander.
